DETAILED ACTION

Response to Amendment

1. The Amendment, filed on November 10, 2004, has been entered and acknowledged by the Examiner.

Allowable Subject Matter

2. Claims 1-8 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The references of the Prior Art of Record fail to teach or suggest the combination of the limitations as set forth in amended claims 1 and 5, and specifically comprising the limitation of "the vertical deflecting coil being distributed so as to have a plurality of peak parts of a winding ratio in a winding distribution". Further, Applicant's arguments, stated in Communication filed 11/10/2004, Page 7, lines 1-8, were persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
